- All priceplans have an initial 6 month binding period. The 6 month minimal price is calculated by taking the activation fee, 6 times the monthly fee, 1 payment by bank transfer and 5 payments by direct debit.
- All call charges are charged on a per second basis but are advertised as a per minute price. National calls have no call setup charge.
- Calls to ACN Mobile are free for calls of up to 60 minutes. A rate of kr. 0.58 per minute applies hereafter.
- The SMS and MMS prices quoted are for SMS and MMS sent to standard mobile phone numbers. Premium rated MMS and SMS are charged at special rates. These apply per message received by your handset. Please refer to the Service Provider short code owner for the specific prices.
- Data bundle shown are the standard data bundles for voice calling plans, during the double data promotion these bundles will double.
- Prices are calculated and charged in blocks of 10 kB of data uploaded and downloaded to your device. 1024 kB is equal to 1 MB; 1024 MB is equal to 1GB.
- The call setup charge is applied to each successful call connection made even if not answered. National calls have no call setup charge.
- All international calls are charged on a per second basis. The price applies for all fixed and mobile destinations in the country called.
- The barring activation charge is a charge per activation request for all standard GSM barrings as well as international outgoing call barring, roaming barring and all national barrings.
- The countries counted in the Europe Tariff Zone are: Andorra, Belgium, Bosnia Herzegovina, Bulgaria, Cyprus, Czech Republic, Estonia, Greece, Hungary, Ireland, Croatia, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Monaco, Portugal (incl. Azores & Madeira), Serbia and Montenegro, Romania, Switzerland, Slovakia, Slovenia, Spain (incl. Canary Islands). These are charged at 5.00 kr. per minute. Countries that are included in the Europe Tariff Zone but are charged at a special rate are: Albania, Belarus, Malta, Moldavia, Russia, San Marino, Ukraine. Please see the International section on [www.myacn.eu](http://www.myacn.eu) for further details.
- Pricing for Data bundles is for new customer after the 5th March. Customer connected before this will remain on their current rate plan.
- Danish mobile contract period is 6 months. To terminate a contract prior to the 6 month anniversary, early termination charges will be applied. This is the same as the monthly subscription for the period left in contract.
