

UP TO 200Mbps
OPTICAL FIBRE.
VIVID™ IS HERE.

Are you ready
to be moved?

You get more out of a better internet connection

That's why we're bringing you VIVID™, our next generation optical fibre. It's a whole new way to experience the internet and at up to 200Mbps, it travels at the speed of your life – so you can do more, be more and have more fun.

- > Everyone can stream online at the same time, with multiple devices
- > All speeds come with unlimited downloads
- > UK's fastest WiFi hub included*
- > Service and repairs included^

Powered by DOCSIS® 3 tech – it's the magic in our cables

Unlike Sky and BT, who still use twisted copper pair wires across most of their network, we use totally different types of cable with DOCSIS® 3 technology. Our cable's thicker core allows us to deliver VIVID™ speeds up to 200Mbps right to your house.
